Celebrate what matters

The Beck Family Philanthropic Initiatives

Inspired by the generous and pioneering spirit of the estate's founder, Graham Beck, we believe that quality and integrity go hand in hand. We aim to equip our local communities with the practical skills to achieve meaningful change.

All these philanthropic activities are conducted by an independent philanthropic trust, The Graham & Rhona Beck Development Trust (GRBDT), which focuses on Robertson and the surrounding area.

This GRBDT was established by the Beck family to

BENEFIT THE EMPLOYEES AND THE WIDER COMMUNITIES

surrounding the Graham Beck Estate

The GRBDT has identified opportunities in

EDUCATION AND SKILLS DEVELOPMENT FOR CHILDREN OF ALL AGES

from Early Childhood Development, pre-primary schools, primary schools and high schools, as well as adult education in the form of bursaries and skills development initiatives

6

Nursery School

staff members including a cook are responsible for the daily supervision of 42 children of permanent workers between the ages of three and six years. Three meals and a snack are given daily

Five educators are responsible for the teaching and aftercare of 103 learners between the ages of 5 and 13 years. Daily meals are provided to all the children of the aftercare

24 Bursaries are provided at Robertson Christian Logos School

THE GRAHAM AND RHONA BECK MUSIC SCHOOL

opened in 2011 with an initial intake of nine children. Today we have a full teaching schedule which operates five days a week after normal school hours. Music tuition assists with discipline, motivation and a sense of belonging

AD LIBITUM MUSIC ACADEMY

a Music School in Robertson (this is in addition to the Graham and Rhona Beck Music School on our farm)

Robertson Brass Band helps to keep children off the streets and away from substance abuse

HEALTH WORKERS

conduct regular home visits and attend to basic hygiene and clinic schedules for the elderly people of Graham Beck Enterprises

THE WOMAN'S PROJECT

supports women to understand their role not just in the family, but also in the community as a whole, as well as reach their full potential.

C.A.M.P.

A programme working with local men to mentor them to be better fathers, partners and brothers.

The Anna Foundation project has been part of skills development in the aftercare since September 2012 on the farm. Addressing educational and social needs while offering children lifelong learning to build self-worth and self-respect.

Tertiary Education
The Beck Family Education Trust recruits and selects bursars for full time study at accredited Tertiary Institutions. Full-time bursaries are awarded annually, and all full-time students are viewed as potential employees

PRIMARY AND SECONDARY EDUCATION

The Beck Family Education Trust financially assists children of the employees of Graham Beck Enterprises with school fees which includes hostel fees as well as a school bus service to take children from the farm to the school and back on a daily basis. Bursaries are also provided for studies at Bridge House Private School.

Sports currently being developed at Graham Beck Enterprises are **soccer, rugby, dominoes and netball**

The GRBDT supports the development of the youth through participation in sports to develop potential in a particular skill, improve self-esteem, constructively utilise leisure time and promote problem-solving methods

LSAAG

Substance Abuse Action Group. GRBDT are their sole funder and helped establish this initiative

WILDERNESS FOUNDATION DEVELOPMENT PROGRAMME

Nurturing the physical and psychological wellness of vulnerable youth by exposing them to wilderness areas and wild spaces, aiming to tackle environmental education and youth unemployment in South Africa.

COUNSELING & THERAPEUTIC SOCIAL SERVICES

focus on improving the lives of individuals, groups, communities and society as a whole. Together with The Department of Welfare, these services assist with issues such as family violence, children with behavior problems and learning disabilities

Parenting Skills involving positive parenting and encouraging healthy communication between family members are provided

GRBDT undertakes community safety programmes that foster the **elimination of substance abuse, Foetal Alcohol Syndrome (FAS), teenage pregnancies,**

and parenting skills are facilitated

Poverty Relief

PROJECT NKQUBELA

addresses the basic needs of the more vulnerable members of the community, providing clothing and bedding, and assistance with government and disability benefits. Food hampers, hot meals and soup kitchens are also provided

The long-term goal of the Beck Family is to uplift and enrich peoples' lives is a powerful legacy which continues to inspire and guide us today
