Explore our three Cap Classiques: the signature selection of the Graham Beck house style. "Non Vintage" is a term used to refer to wines blended from multiple years. Equal amounts of the base wines, Chardonnay and Pinot Noir are used in crafting these Cap Classiques - the 'recipe' remains unchanged to ensure continuity and consistency and maintaining the Graham Beck house style.

VINTAGE COLLECTION TASTING

R150pp

(The tasting fee is waived on wine purchases per person of R500 and more)

Discover the three Vintage Cap Classiques. The term "Vintage" refers to a Cap Classique made from grapes from a single year. The wines are aged with extended lees contact, creating single-vintage bubbles more complex in style. The Vintage Collection is an expression of the very best selection of Chardonnay and Pinot Noir from a specific year.
