Taste our four Non-Vintage Cap Classiques: the signature selection of the Graham Beck house style. "Non Vintage" is a term used to refer to wines blended from multiple years. Equal amounts of the base wines, Chardonnay and Pinot Noir are used in crafting these Cap Classiques - the 'recipe' remains unchanged to ensure continuity and consistency and maintaining the Graham Beck house style.

## VINTAGE COLLECTION TASTING

*(The tasting fee is waived on wine purchases per person of R300 and more)*

Taste the three Vintage Cap Classiques. The term "Vintage" refers to a Cap Classique made from grapes from a single year. The wines are aged with extended lees contact, creating single-vintage bubbliques more complex in style. The Vintage Collection is an expression of the very best selection of Chardonnay and Pinot Noir from a specific year.
